Graduation

Congratulations, you have successfully completed your degree.

Please remember to download your graduation ceremony eTickets from the myRecords statement page.

The eTicket includes your seat numbers and information for your guests. You will need to print these details, or store a copy on an electronic device, to gain access to the ceremony. No further reminder or notification will be sent.

For vital instructions and information regarding the day please visit the Graduation web pages.

From the 2025-2026 session the way that the University calculates final degree classifications changed for undergraduate students. Visit the following pages for further information, and to see how your classification was calculated, Degree classification.
